St. Peter Apostle Junior National School

Relationships and Sexuality Education Policy (RSE)

Policy Summary Details

Policy Title:	Relationships and Sexuality Education Policy
Written/Reviewed:	January 2020
Date Ratified by BOM:	13 th February 2020

St. Peter Apostle Junior National School

Introductory Statement

This policy is an approved approach to the teaching of Relationships and Sexuality Education (RSE) in St. Peter Apostle Junior National School. It was developed by the RSE Policy Committee which included two teachers, two representatives of the Board of Management and two parent representatives. It was developed to inform teachers and parents as to what material is covered in the RSE programme within SPHE. Please note for the purposes of this policy the term children with SEN is used to denote children who have special educational needs both in mainstream and the ASD unit.

Vision and mission statement

We in St. Peter Apostle Junior school believe in the potential of each child. As a staff we seek to ensure that all children in our care have equality of opportunity to derive positive outcomes from their educational experience. In doing so, we endeavour to create a safe, happy, respectful, and inclusive learning environment where the diverse needs of all different types of learners are catered for. It is envisioned that by providing an all-inclusive approach to education that the children in our school shall reach their academic potential whilst developing the confidence and courage to be fair, kind, moral, tolerant and respectful when acting in the world.

We strive to realise this vision by seeking to:

- Craft a caring, supportive, nurturing and stimulating environment in which children's social, emotional, spiritual and intellectual development is catered for,
- Develop children's interests, talents and hobbies by providing a wide range of learning experiences,
- Harness the collective talents of all staff to ensure that all children, irrespective of their medical status and/or special educational needs feel cherished and thrive in in dynamic educational settings,
- Provide tailored learning experiences for children who present with special educational needs (gifted or otherwise) by meeting children where they are at and building upon their strengths,
- Collaborate with colleagues and outside agencies to ensure focused and effective supports are in place to advance the social, emotional, and cognitive development of all the children in our care,
- Build strong and collaborative relationships with parents with a view to fine tuning and augmenting the supports that children receive in both the home and school,
- Promote a culture of inclusivity by ensuring that children across the school settings integrate as appropriate during tuition time, yard breaks and school events,
- Create an environment where all have freedom and opportunity to reach their full potential.

St. Peter Apostle Junior National School

This policy was developed and will be implemented in ways which are in keeping with the ethos of the school. In St. Peter Apostle, we recognise that SPHE is intrinsic to the teaching and learning that occurs both formally and informally in school and in the classroom. Through our SPHE programme and subsequently through RSE, we wish to assist children to develop feelings of self-worth and self-confidence while encouraging their ability to relate to others in a positive way. The curriculum also encourages children to be aware of their rights as an individual while at the same time accepting responsibility for their actions as members of the school and wider community. Our school values the uniqueness of all individuals within a caring school community. Our ethos means that we value respect, tolerance and openness through the lived experience of the children and school community. Parents have the primary role in the social, personal and health education of their children so their involvement will be encouraged as much as possible. SPHE and RSE are key components in supporting our school and children to develop into healthy young adults.

Definition of RSE

Relationship and Sexuality education (RSE) aims to provide opportunities for children and young people to learn about relationships and sexuality in ways that help them think and act in a moral, caring and responsible way (Going Forward Together Parent's Information Booklet, page 4).

Relationships and Sexuality Education is an integral part of SPHE and must be taught in this context. It provides structured opportunities for pupils to acquire knowledge and understanding of human sexuality and relationships through processes which will enable them to form values and establish behaviours within a moral, spiritual and social framework. In particular, it addresses the meaning of human sexuality, relationships, growth and development, relevant to personal and social skills.

Relationship of RSE to SPHE

Social, Personal and Health Education (SPHE) provides opportunities for pupils to learn basic personal and social skills which foster integrity, self-confidence and self-esteem while nurturing sensitivity to the feelings and rights of others.

SPHE:

- Is a lifelong process and consequently RSE is a continual process throughout primary school and is not confined to once off inputs or lessons.
- Is a shared responsibility between family, school, health professionals and the community. RSE education should include an input from all, and collaboration can be fostered through the teaching and delivery of materials.
- Is a generic approach. It is not so much about the specific content of RSE but rather the relationship with a child's skills, attitudes, values and understanding relevant to a range of social, personal and health issues.

St. Peter Apostle Junior National School

- Is based on the needs of the child, therefore RSE education should prioritise the needs of the child and his/her environment, with appropriate adaptations made within the curriculum to suit individual requirements and individual school situation.
- Is spiral in nature. RSE is revisited at different stages throughout the child's time in school, this will provide opportunities to consolidate and build on previous learning. This allows for issues and topics to be explored and treated in a manner appropriate to the children's needs, abilities and levels of maturity.
- Engages children to be involved in activity-based learning. RSE should provide a range of learning opportunities that include working together, learning about one's own feelings and those of others, developing a sense of empathy and experiencing and supporting healthy relationships.

Through SPHE and RSE, members of the school community should be enabled to enhance their self-esteem and wellbeing through;

- A sense of identity
- A sense of purpose
- A sense of belonging
- A sense of security
- A sense of competence

In an ever-changing world, RSE encourages children through consistent messages that are taught in line with SPHE. The school has a responsibility to ensure that its curriculum is free of bias and that issues of inequality in any form are addressed and dealt with (SPHE Teacher guidelines, p.25). In learning about cultures and traditions of others, children can develop a sense of respect for difference and appreciate the contribution that such has to offer. It will encourage children to be inclusive with each other, challenge prejudice and learn how to live in an intercultural society.

Current Provision in the School Curriculum is:

- SPHE lessons (provided through discrete curricular time and integration)
- Use of the RSE Manuals
- Stay Safe Programme
- Walk Tall Programme
- Webwise resources
- Friends For Life Programme

St. Peter Apostle Junior National School

- RESPECT Guidelines (suggested approaches to teaching about different families)
- Adapted resources for SEN from www.pdst.ie
- Religious Education

Aims of our RSE Programme

- To enhance the personal development, self-esteem and well-being of each child.
- To help the child to develop healthy friendships and relationships.
- To promote a healthy attitude to sexuality and to relationships.
- To foster an understanding of, and a healthy attitude to, human sexuality and relationships in a moral, spiritual and social framework.
- To enable the child to acquire an understanding of, and respect for, human love, sexual intercourse and reproduction.
- To develop and promote in the child a sense of wonder and awe at the process of birth and new life.
- To enable the child to be comfortable with the sexuality of oneself and others while growing and developing.

Broad Objectives Policies which support SPHE/RSE

When due account is taken of abilities and varying circumstances, the RSE education curriculum should enable the child to (in conjunction with the SPHE curriculum)

- Acquire and develop knowledge and understanding of self
- Develop an appreciation of the dignity, uniqueness and well-being of others
- Develop a positive sense of self-awareness, self-esteem and self-worth
- Understand the nature, growth and development of relationships within families, in friendships and in wider contexts
- Develop an awareness of differing family patterns
- Come to value family life and appreciate the responsibilities of parenthood
- Develop strategies to make decisions, solve problems and implement actions in various personal, social and health contexts
- Become aware of the variety of ways in which individuals grow and change, and to understand that their developing sexuality is an important aspect of self-identity.
- Develop personal skills which will help them to establish and sustain healthy personal relationships.
- Develop some coping strategies to protect themselves and others from various forms of abuse.
- Acquire and improve skills of communication and social interaction.
- Acquire and use an appropriate vocabulary to discuss feelings, sexuality, growth and development.
- Develop in the child a critical understanding of external influences on lifestyles and decision making.

St. Peter Apostle Junior National School

Policies which support SPHE/RSE

- Child Safeguarding Policy
- Substance Use Policy
- Code of Behaviour
- Anti-Bullying Policy
- Enrolment Policy
- Acceptable Usage Policy
- Healthy Eating Policy

Guidelines for the Management and Organisation of RSE in our School

Curriculum Content- The curriculum by NCCA will be followed as published and will be taught from infants to 2nd class. All resources used will be in keeping with the ethos of the school, the whole school plan for SPHE and the RSE policy. Each class teacher will teach the content for their class level each year as laid out in the curriculum and utilising the RSE manuals to complement their teaching.

Management of RSE

- The strands Growing and Changing and Taking Care of my Body are covered in Year One of a 2 year SPHE plan.
- The sensitive lessons are covered as part of these broad topics (see SPHE whole school plan and Appendix 1 outlined below)
- Special consideration will be taken to ensure that the needs of the children with SEN are met. Taking into account the pupil's social and emotional development, instruction will be based on individual needs where possible. Parents will be consulted around sensitive issues.

Parental Involvement

- Parents will be informed that the school fully implements the RSE strands of the SPHE programme including sensitive aspects of the programme at enrolment.
- Parents will be informed in advance of lessons on the sensitive areas of the RSE programme, with a letter relevant to what will be taught at their child's class level. For an example of the letter see Appendix 2.
- The letter will be issued in advance, giving parents an opportunity to meet with relevant class teachers if they so wish, to discuss or clarify what is covered and to prepare their children, it also gives parents an opportunity to become involved, to inform themselves

St. Peter Apostle Junior National School

of the programme content and to prepare children for the information they will acquire around the sensitive areas and discuss areas covered in RSE/SPHE.

- Parents are welcome to view the curriculum and may speak to the class teacher if they have concerns at any time during the year. The school acknowledges that parents have the primary responsibility for educating their children about growing and changing.
- Following discussion with Principal and Class Teacher, if a parent wishes to withdraw their child from the sensitive lessons it should be given in writing stating their reasons for doing so and this will be centrally files.
- If a child has been withdrawn from the sensitive RSE lessons, the school takes no responsibility for what the child may hear following on from the teaching of the lessons. Eg. What they may hear on yard.

Approaches and Methodologies

When implementing the programme, staff at St Peter Apostle JNS will endeavour to display respect for and sensitivity towards the different cultural and family backgrounds experienced by the children. The curriculum will be taught in an age-appropriate manner at all times. The curriculum will be taught from Junior Infants to 2nd class. It will be taught through a spiral curriculum. The materials taught will reflect the needs of the children.

The RSE curriculum will be taught through:

- Stories and poems
- Classroom discussion
- Group work
- Games
- Art activities
- Reflection
- Circle time

Differentiation

Teachers use assessment and professional judgement to differentiate the programme and content to suit the needs of the class. Some techniques used:

- Ensuring that objectives are realistic for the students
- Ensuring that the learning task is compatible with prior learning

St. Peter Apostle Junior National School

- Providing opportunities for interacting and working with other students in small groups and spending more time on tasks
- Organising the learning task into small stages and ensuring that the language used is pitched at the student's level of understanding
- Understanding of the activity using task analysis, outlining the steps to be learned/ completed in any given task, posing key questions to guide students through the different stages/ processes, and to assist in self-direction and correction
- Having short and varied tasks creating a learning environment through the use of concrete, and where possible every day materials, and by displaying word lists and laminated charts with pictures

Sometimes the stage of development in a class can vary widely and strategies to differentiate in class can support gradual and appropriate teaching

- Group work and discussion
- Higher and lower order questioning in groups
- Moderated whole class discussions through the use of a Question Box

Pupils with Special Educational Needs

Where parents of children with SEN deem it necessary, efforts will be made to adapt the way in which some lessons are executed. Consultation with parents/guardians in advance and anticipation of the children's needs will be central to ensuring learning is meaningful. Some of the following strategies may be used:

- Children may be pre-taught language or concepts in anticipation of whole class work
- Children may work in smaller groups or 1:1 on adapted and suitable material
- Any specific objectives related to the pupils own learning needs should be detailed in their SSP in consultation with parents/ guardians

Language

SPHE curriculum provides a context in which children are given opportunities to develop and enhance their language skills and to increase their vocabulary related to SPHE. Children should become aware of the power and influence of language. When used positively, language can build up, affirm and show respect to another human being but if used in a negative manner can hurt, diminish and demean. Children need to recognise and become sensitive to the ways in which they themselves use language in their relationship and their everyday interactions. Language is a powerful tool and should be used with respect and integrity for the dignity of each person. There are two areas where the use of language is applied in RSE lessons;

St. Peter Apostle Junior National School

- The formal use and teaching of language generally throughout the school
- The use of language in discussion through your formal RSE lessons
- Appropriate vocabulary in formal teaching
- Relating to sexuality, growing up, physical changes, parts of the body and feelings will be used, the use of slang will be discouraged
- Anatomical terms and language introduced is consistent with RSE Materials Books.

Questions

We use some simple principles when fostering discussion and questioning

- No personal questions of the teacher
- The teacher will be mindful of their reaction to any questions
- Questions do not have to be answered straight away

During the delivery of some sections of the sensitive lessons and in first and second class, children will be given the opportunity to place their questions or concerns in a question box in the classroom. These questions will then be monitored and screened with the teacher answering the questions at a later time taking into account the following;

- Questions arising from the lesson content will be answered in an age- appropriate manner
- The class teacher cannot answer questions which do not relate to the particular curriculum objectives for a class
- Pupils will be informed if a question/issue is not on the programme and they will be advised to talk with their parents
- Teachers may exercise discretion to contact parents themselves if they feel that a question is very inappropriate or needs to be communicated with home because of other reasons
- No personal questions will be answered and children will be reminded not to share personal information about their families or others- but can share with teacher after the lessons.

If issues arise which might be seen to contravene Children First Guidelines, the teacher will notify the Designated Liaison Person in the school.

Assessment

Assessment in RSE is important to enable the teacher to pitch the lessons correctly to their respective class group.

St. Peter Apostle Junior National School

The teacher uses;

- Observation and questions to assess the children's engagement and interest
- Use of teacher-designed tasks such as worksheets, quizzes or games
- Use of reflection or learning log

Confidentiality

- The school follows Children First Guidelines 2011 and The Child Safeguarding Procedures for Primary Schools
- If a child is withdrawn from the teaching of sensitive issues, we cannot guarantee that the other children will not tell or inform him/her about what happened.

Resources

Relationships and Sexuality Education Resource Materials (DES)- Each class teacher has a copy of the appropriate manual or access to it in online/ pdf format. Other resources that support the broader aims of RSE include:

- Stay Safe Programme
- Walk Tall Programme
- Anatomical Dolls and story books
- INTO Different Families, Same Love Poster
- RESPECT Guidelines
- Fun friends Manual

Provision of Ongoing Support

- Opportunities provided by our Education Centre will be brought to the attention of staff members
- Teachers will be encouraged to attend CPD in RSE
- Staff meetings utilised as a platform for discussion and development of RSE materials
- Support from a PDST Advisor
- Promotion and communication of resources available from www.pdst.ie

Ratification and Review

- The policy will be reviewed every two years. The policy may also be reviewed at an earlier time should a need arise.

St. Peter Apostle Junior National School

- Parents and staff will be informed of any amendments made
- This policy was ratified by the Board of Management of St Peter Apostle J. N.S.

Signed:

Vivion Powney (Chairperson of the Board of Management)

Date ratified

St. Peter Apostle Junior National School

Appendix 1

Topics covered up to 2nd include:

- Keeping safe
- Bodily changes from birth (birth-9)
- Making age-appropriate choices
- Appreciating the variety of family types and the variety of family life that exists in our school and community
- Recognising and expressing feelings
- Self-care, hygiene, diet, exercise and sleep
- Expressing opinions and listening to others
- **Naming the parts of the male/ female body using appropriate anatomical terms including intimate and private body parts e.g. penis/vagina (Junior/ Senior Infants)**
- **Naming the parts of the male/ female body using appropriate anatomical terms including intimate and private body parts and identify some of their functions e.g. penis, vagina, urethra (1st/2nd).**

St. Peter Apostle Junior National School

Appendix 2

Information letter for parents

Date

Dear Parents,

You may be aware that Relationships and Sexuality Education is provided in all primary schools as part of the subject: Social, Personal and Health Education (also known as S.P.H.E.). We wish to inform you that in our school, we deliver the Relationships and Sexuality component of the S.P.H.E. programme to children in Junior Infants and First class every January and February.

As we are now in the early stages of January the topics “growing and changing” and “taking care of my body” will be taught in your child’s class in the coming weeks. It is important to bring to your attention that during these lessons your child will learn:

- The correct names for body parts, including intimate/private body parts e.g. penis/vagina
- How to take care of their bodies

If you have any queries about Relationships and Sexual Education, please do not hesitate to contact your child’s teacher, or indeed myself, Ms. Hannon. We would be more than happy to make an appointment to speak with you.

Laura Hannon
